New + Incoming Members

- Current 2 week process has insufficient time
 - Lack of participation in voting
 - Expecting “someone else looked”
 - Fixed?
- Oman – newest member (not updated yet)
- AU, NZ, TR – all “members” but not participating
- Policy still a hurdle for RS, ZA, RU.

Next Year I'll talk about just doing it...

- Over heard conversation:
*“Next year I’m just going to present about doing stuff rather than talking about it”
(paraphrased and probably misquoted)*
- How about we start now?
- The community does all the work.
Brook just gets to take the credit!
