

Fédération Education-Recherche, update

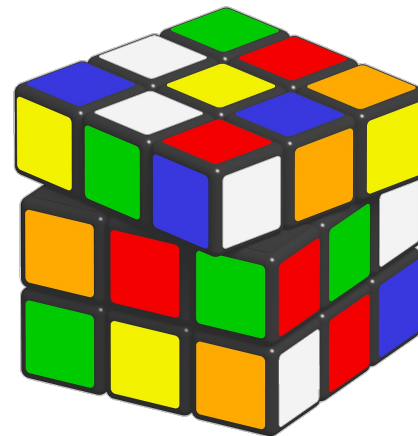

47th REFEDS Meeting, Stockholm, 2023

Anass CHABLI , RENATER

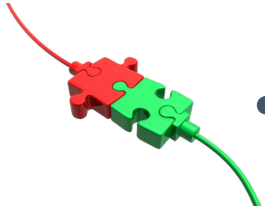

Paradigm shift

- RENATER is operating a “Federation Service” for the French Community
- Around 23 Federations
 - Public : 4 (test Federation, qualification, Fédération Education-Recherche, eduGAIN)
 - Private : 19
- Why ?????

we love

WHY ?????

- Interoperability: some institutions were operating their own Federation

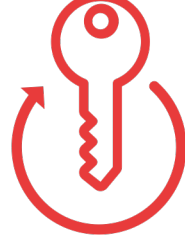

- Illegitimate Federated Services

- Security

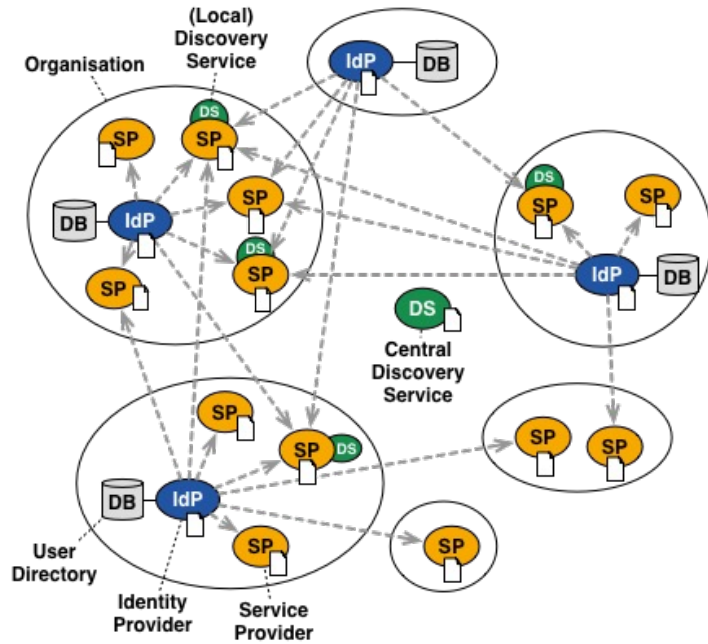

- Cleaning (almost 15 years of existence)

Full Mesh Federation

~80% of all NREN Federations (June 2013)

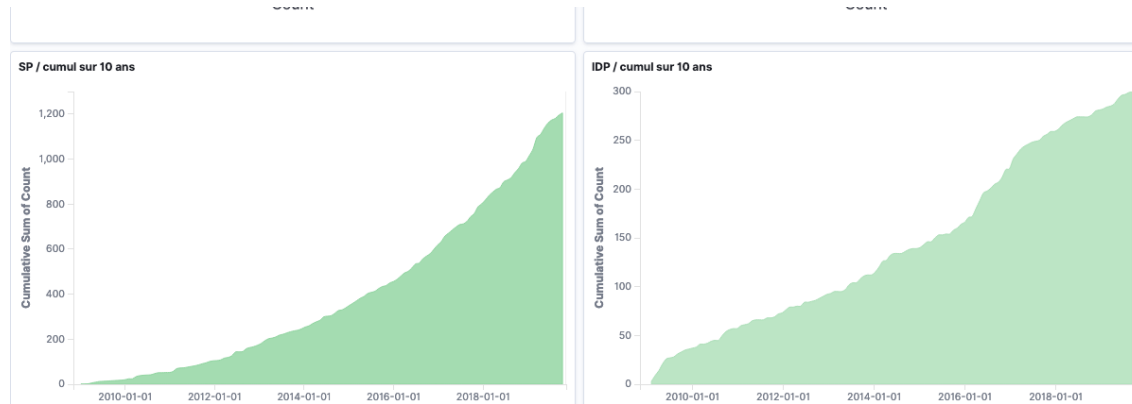

E.g InCommon, UKAMF, SWITCHaaI, SWAMID, HAKA, AAF

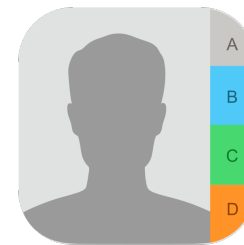

- SAML Assertion Flow
- Connection to User Directory
- SAML Metadata including all SPs and IdPs

1240 SPs

356 IdPs

~3000 contacts

Priorities since 2019

Move everything to Digital wallet

Priorities since 2019

- Improving trust in the Education-Research Federation

Priorities since 2019

- **Communication & support**

 - Compliance

 - Documentation

 - Training

 - Technical Framework

 - Security, Data, Interoperability

 - Redesign our online documentation

 - 2 sessions / year

 - Continuous update

- **Technical solutions**

 - Redesign our federation registry

 - Monitor the Federation

 - Controls, new features, user experience ..

 - Checks on entities, proactive support

- **Statistics**

 - Collect and publish statistics

Priorities since 2019

- Federation registry :
 - VERSION 3.0.0 → February 2021 (Web interface)
 - VERSION 3.1.0 → Septembre 2021 (Web interface & Opening the code)
 - VERSION 3.2.0 → April 2022 (Web interface & MDQ)
 - VERSION 3.3.0 → May 2023 (Web interface & SIRTFI v2 et CoCo v2)
 - VERSION 3.4.0 → Octobre 2023 (Change of processes to access federations)
- Monitoring :
 - Federated access to a monitoring tool :
 - Proactive support , automated tickets (500 since 2022)
 - Around 200 SPs kicked out from the federation

Next steps

- Continue raining trust
- New strategy to be defined– multiple working groups with the community : started in August 2023 → results in January 2024
