

CoCo Test SP

Data protection Code of Conduct test SPs

The following test SPs in eduGAIN have committed to the GÉANT Data protection Code of Conduct

- [eduGAIN Attribute Release Check](#): Generic and official eduGAIN attribute release check service that also contains a CoCo test.
- [SWITCHaai Interfederation Test](#): Echoes the attributes released by the IdP and performs various checks on the attributes recommended by the [eduGAIN Attribute Profile](#).
- [Haka](#): Echoes the attributes released
