

Trust and Identity Townhall 2020

Update

After discussions with the organising committee for this event and the Executive Leadership team at GÉANT, we have taken the decision to cancel the Town Hall. Whilst there are no specific reasons why travel to Stockholm should be impacted, the situation regarding business travel decisions is changing daily, many organisations have implemented a travel ban and we wanted to make a clear decision so people can manage their plans and make appropriate cancellations. We hope to reschedule the meeting later in 2020.

The meeting has now be rescheduled to the 27 Oct - 28 Oct 2020.
