

Up2U Update Webinars

The Up2U Update Webinar is a monthly recurring event where all participants of the Up2U project are updated by the Project Coordination team and the Work Package leaders on the current status, recent achievements and future plans of the project.

Webinars are recorded and published on the Wiki:

- [Webinar #1 15/11/2018](#)
- [Webinar #2 20/12/2018](#)
- [Webinar #3 24/01/2019](#)
- [Webinar #4 26/02/2019](#)
- [Webinar #5 13/06/2019](#)
- [Webinar #6 26/07/2019](#)
- [Webinar #7 06/11/2019](#)

Webinar Workflow					
1	2	3	4	5	6
PCT to set date for the Webinar (3rd Thursday of the month 14:30 CEST)	WP leaders and SMC Coordinator to provide slides (1 - 3) with notes* (before the MT meeting)	MT to discuss activities, achievements and planned actions during MT meeting	PCT to compile all slides into one single slidedeck	Hold Webinar. PCT to record Webinar	Webinar recordings and slides to be uploaded to the Wiki by PCT
* The monthly Progress Report will be based on the slides and notes as provided by WP leaders
