

12-13 October 2016 - SIG-MSP meeting

The next opportunity to get together to share ideas, experiences and best practices will be on 12-13 October 2016, when there will be a meeting of SIG-MSP in Rome, hosted by GARR.

Registration is full: [see the list of participants!](#)

Information about [hotels](#), [the venue](#) and [how to get there](#) are all available via the GARR website.

If you have any agenda topic ideas for subsequent meetings, please contact Laura.Durnford@geant.org or add them into the [agenda suggestions page](#).

This is the final agenda.

Nice guided walk together in the centre of Rome - meeting in Piazza di Spagna

NOTE: TUESDAY 11 ALL DAY & WEDNESDAY 12 MORNING Co-located meeting of the GÉANT Project team on Application Services Delivery Management (JRA4 Task 2). Not an open meeting, but the team is happy to consider admitting those with a particular interest. (email Jan Meijer meijer@uninett.no)
