3. You will be redirected to the Identity Provider you have selected in order to authenticate. After you have successfully authenticated, you will be redirected to the eduTEAMS Registration Form. Fill in the form. The Fields **Name** and **E-mail** are prefilled, based on the account attributes. The field **Username** should be added and it will be used as eduTEAMS nickname.

4. Read carefully the Acceptable Usage Policy. In order to register on eduTEAMS Service you have to click on the "I agree" checkbox and click the submit button.

The screenshot shows the registration interface for eduTEAMS. At the top, there is a navigation bar with the eduTEAMS logo, the word "Registrar", and links for "Form", "Submitted registrations", and "Sign out". Below this is the heading "Application for eduTEAMS". The registration form contains three input fields: "Name*" with the value "Stefani Serna", "E-mail*" with the value "andrijana@bamres.ac.rs", and "Username*" with the value "stefanis". A small note below the username field states "Username which will be provided to services." Below the form is a section titled "Acceptable usage policy" with a sub-heading "INTRODUCTION". The text explains that the policy defines rules for access to resources and services. At the bottom of this section, there is a checkbox labeled "Acceptable usage policy*" which is checked, and a green "Submit" button.

5. Congratulations! You have successfully registered on the eduTEAMS Service. Click the "Continue" button and you will be redirected to your eduTEAMS Profile page. You can access your profile page on the eduTEAMS Service at any time by visiting <http://mms.eduteams.org/profile/>

Now that you are registered on the eduTEAMS Service, you can join a Virtual Organization or request a new Virtual Organization to be created for your collaboration
