

Approving VO requests

1. When a new user fills in the application form for a Virtual Organization, the VO Managers will receive a notification

Example e-mail:

Dear administrator,

new application to VO {voName} was created under ID={appld} by user: {displayName}.

Application detail with all user submitted data where you can approve / reject application on

{appDetailUrl}

If there was any error during application creation, information follows:

{errors}

Yours sincerely
{voName}

2. Following the link with the Application details, you will see all the VO application request that are in "Pending" state.

3. Click on the VO application in order to open Approval/Reject dialogue

The screenshot shows the eduTEAMS VO manager interface. The top navigation bar includes the eduTEAMS logo, the text "Documentation > Applications", and user information: "Name: Andrijana Todosijevic" and "Role: VO/GROUP MANAGER" with a "Logout" button. The left sidebar contains a "VO manager" section with a tree view of options: Select VO, Documentation, Members, Groups, Resources, Applications (highlighted), Application form, Resource logs, Resource state, Settings, Managers, External sources, and a "hide advanced" link. Below this is a "Group manager" section with a "User" link. The main content area is titled "Documentation: applications" and features a "State" dropdown menu set to "Pending", a "Submitted by:" input field, and a "Filter" button. Below these controls is a table with the following columns: "Created date", "Type", "State", "Submitted by", "LoA", "Group", and "Modified by". A single row is visible in the table with the following data: "2020-03-31", a green arrow icon, "Submitted", "Stefani Serna", "2", "...", and a long alphanumeric string: "e66a273e1ca97435de2071f802fd94e4f50c9fa045393f18c2cd73d843fd3238c11735ac3630eeede02e".

4. Click on the "Approve" or "Reject" button to approve or reject the application
