

# Acceptable Use Policy

## INTRODUCTION

This Acceptable Use Policy and Conditions of Use ("AUP") defines the rules that govern your access to and use (including transmission, processing, and storage of data) of the resources and services ("MyAcademicID Identity and Access Management Service for the European Student Card Initiative") as granted by GÉANT for the purpose of accessing the services of the European Student Card Initiative and Erasmus+.

The "MyAcademicID Identity and Access Management Service for the European Student Card Initiative" enables students and faculty of Higher Education Institutions (HEIs) to authenticate and identify themselves to the services of the [European Student Card Initiative](#) and services directly supporting the digitisation of [Erasmus+](#), referred to hereafter as "Connected Services", that support and enable the student mobility process.

Access granted by GÉANT to the "MyAcademicID Identity and Access Management Service for the European Student Card Initiative" does not imply that access to Connected Services is granted. Access to Connected Services is granted by the providers of the Connected Service.

The baseline clauses of this AUP apply equally to both the "MyAcademicID Identity and Access Management Service for the European Student Card Initiative" as well as to all Connected Services, from now on collectively referred to as "Services".
