

# TracerouteServers

## Traceroute Servers

There are numerous [traceroute](#) servers located throughout the world:

- <http://www.traceroute.org/>
- [http://www.bgp4.net/wiki/doku.php?id=tools:ipv4\\_traceroute\\_ping](http://www.bgp4.net/wiki/doku.php?id=tools:ipv4_traceroute_ping)
- <http://noc.greatplains.net/measurement/traceroute.php>

Many traceroute servers and "Looking Glass" servers (a superset of traceroute servers) are listed on the [NREN Tools](#) pages.
