1.2 Code of Conduct

Work Description

This work item will work with REFEDs to address issues relating to mitigating risks associated with release of personal information by identity providers. The work will include:

1. Continue to develop non EU/EEA Code of Conduct, and supporting material within REFEDs.
2. Ensure the GÉANT and non-EU variants are constantly checked against the latest in Data Protection and other relevant legislation.
3. Initiatives and developments to support greater uptake of the Codes of Conduct with GEANT eduGAIN members.

Work Area Leader

Mikael Linden, supported by Valter Nordh.
