2nd SIG-NOC meeting and DDoS Mitigation Workshop

Logistics

The next coming GÉANT SIG-NOC meeting (formerly known as TERENA TF-NOC) will be organized on 9 November, back-to-back with the community workshop on DDoS Mitigation in the NREN Environment on 10-11 November, 2015 in Vienna, Austria.

Remote participation

Here are the instructions for joining the video conference.

The conference is hosted on the NIIF MCU in Budapest, and there are several ways of connecting to it.

- **The easiest option is to connect to the MCU directly at its IP address 193.225.95.130. Once connected, enter 9984# as the conference ID, then enter 8741# as the conference security PIN.**
- If your equipment is able to use Global Dialing Scheme (GDS) numbers, you can dial 003655119984, then enter 8741# as the conference security PIN.
- You can also connect by phone: dial the (Hungarian) phone number +36-1-666-1112. Once connected, dial 9984# for the conference ID, then enter 8741# as the conference security PIN.

Venue

University of Vienna (Universität Wien)

Main Building / Visitors' Center (Besucherzentrum)

Universitätsring 1

1010 Vienna / Austria
