

2nd SIG-ISM Workshop

Copenhagen 22nd-23th of February 2016

*** THE MINUTES OF THE WORKSHOP ***

The 2nd workshop of the SIG-ISM will be in Copenhagen!

This time the emphasis of the presentations and roundtables will be on risk.

Due to discussion of specific NREN and not only related risks a large part of the meeting will be confidential.

Participants will be required to sign a mutual non-disclosure agreement in order to be able to exchange information about risks freely.

We are looking forward to meeting you all there!

Agenda and Presentations

The workshop aims at presentations and roundtables.

Venue

Park Inn by Radisson Copenhagen Airport Hotel,
Engsvej 171
2300 Copenhagen S
Kastrup
Denmark

Accommodation

Of course the closest hotel to the venue is the venue itself 😊

If you decide to book a room there, you can benefit from a special discount because of the workshop.

Please send an email to Sigita.Jurkynaite@geant.org to get the discount code.

You can also have a look [here](#) for alternatives.

Please notice that the price for the hotel across the street from NORDUnet which is still very close to the venue (~1.5Km or 1 metro stop) is being renegotiated,

so it may increase a bit but it shouldn't be much.

It is a good idea to book as soon as possible.

Remote participation

To protect the confidentiality nature of the workshop remote participation will not be possible.

Registration

In order to get the most out of the roundtables the max number of participants to the workshop is limited to 25. Registration is now closed. The list of participants can be found [here](#)
