

4th TF-WebRTC meeting & GN4-2 JRA4 T4/5

Logistics

2-3 May, 2016

Berlin, Germany

[blocked URL](#)

The Task Force is established under the auspices of the GÉANT Community Programme to provide a forum for exchanging and promoting ideas, experience and knowledge, as well as fostering collaborations among National Research and Education Networks and academic and research institutions on web - real time communication solutions, services, developments and deployments.

NOTE that the 4th GÉANT TF-WebRTC meeting (Tuesday - 3 May) will again be co-located with the related GN4-2 project tasks (Monday - 2 May), kindly hosted by DFN in Berlin, Germany.

Task force participants can arrive on Monday late and attend the open TF-WebRTC session on Tuesday all day!

Venue

DFN-Verein

Verein zur Förderung eines Deutschen Forschungsnetzes e.V.

Alexanderplatz 1

10178 Berlin

Accommodation and social evening

DFN asked the reservation of the Hotel Park Inn Alexanderplatz to book 15-35-15 rooms from 1 May to 4 May 2016 with the code: "**TF-WebRTC Workshop**"

The Park Inn is very close to the DFN offices (79.- Euro incl. breakfast)
<http://www.parkinn-berlin.de/>

Please use THIS booking form for your accommodation.

DFN kindly offered to book places and invite for the dinner in the restaurant "Oxymoron" on Monday, 2 May 2016 starting at 7.30pm.

Restaurant: Oxymoron
<http://www.oxymoron-berlin.de/de/>

Three course dinner will be served with either a choice of fish, meat and or vegetarian main course.
